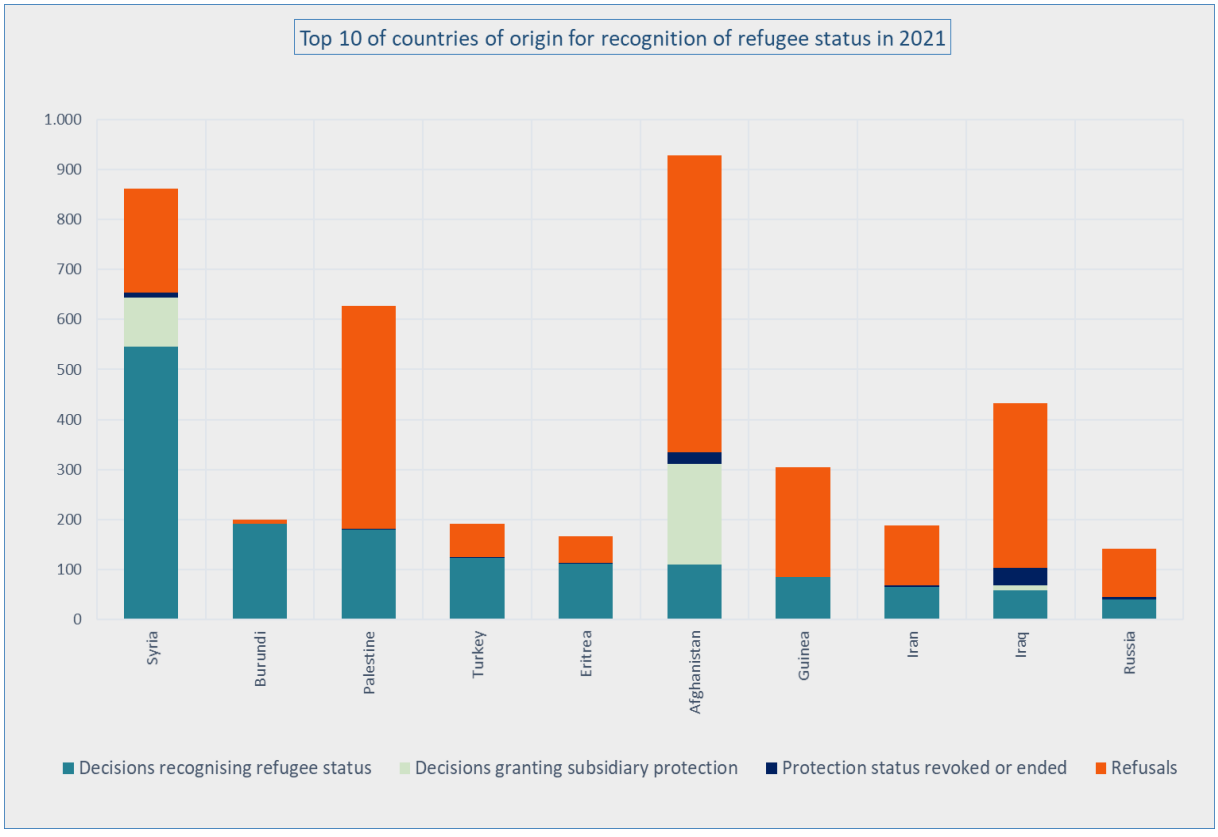
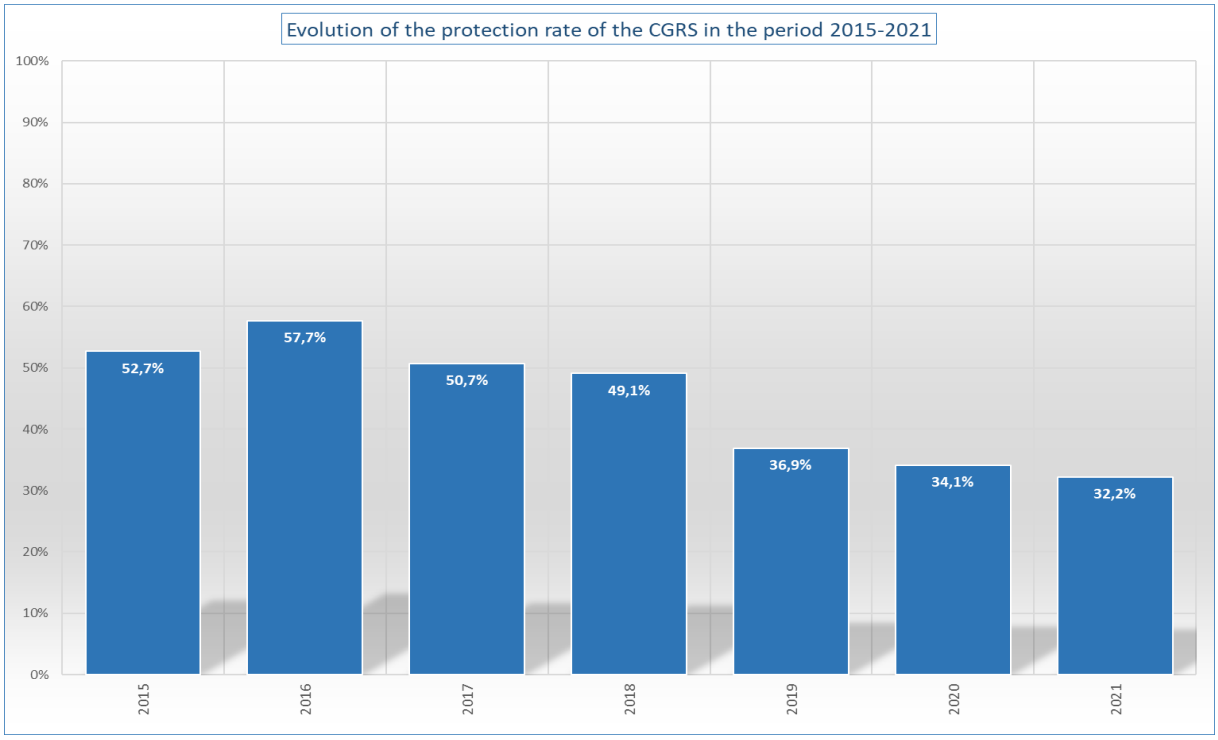
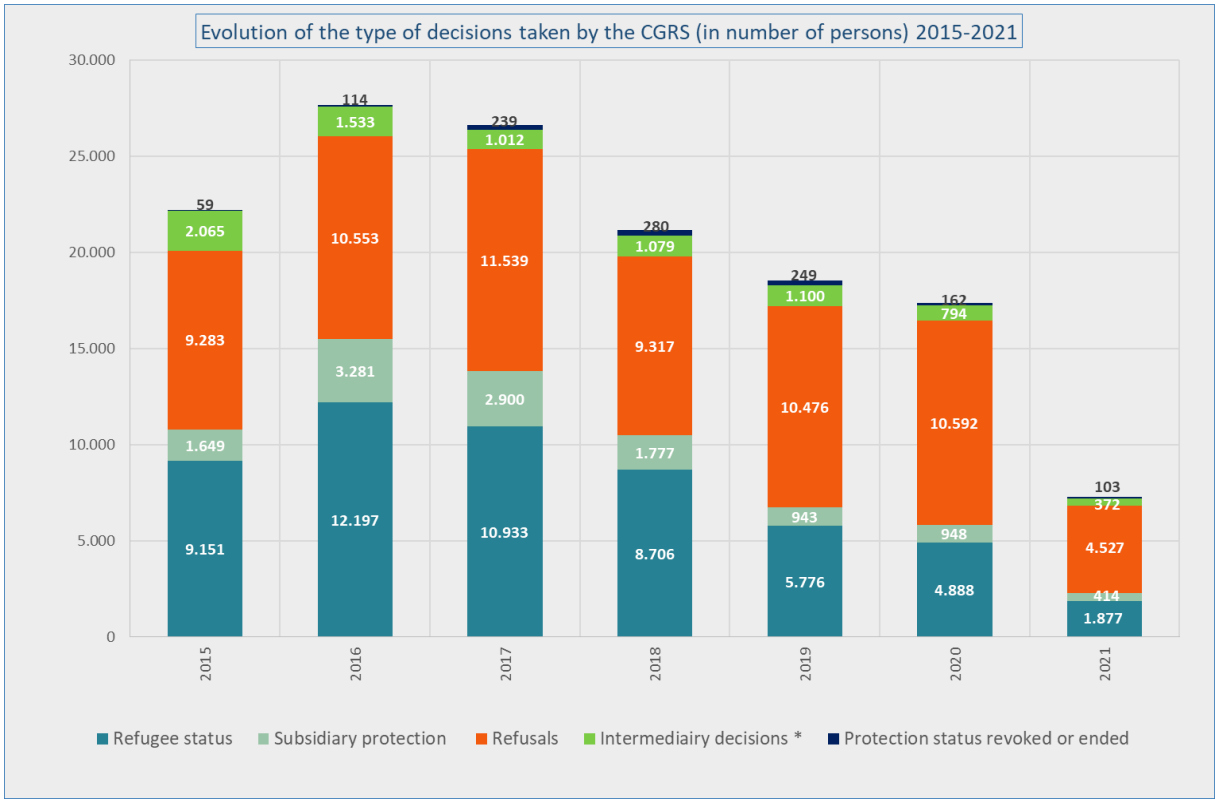
** The decisions 'further assessment (border) and subsequent application declared admissible' are a kind of intermediary decision and are therefore **not included** in the final decisions.*





** The protection rate is the percentage of applications leading to recognition of refugee status or granting of subsidiary protection status compared to the total number of final decisions (= total number of decisions – the intermediary decisions) - the number of files where the protection status was revoked or ended.*



** 'Intermediary decisions' are the decisions 'further assessment (border) and subsequent application declared admissible.'*
